

Termination of the clearing agreement

Electricity Spot Market

pursuant to § 9 para. 1 of the General Terms and Conditions
for Spot Market Products in Electric Energy of CCP Austria

Company name

Registered office

Company registration number

We hereby declare the withdrawal of our clearing membership in accordance with § 9 of the General Terms and Conditions of CCP Austria as of:

(Desired) Last trading day

Reason for termination:

Place, date

Corporate signature¹

¹ A manual signature requires the enclosure of a current signature list. A qualified digital signature requires proof of signature authorisation (e.g. in the form of a current extract from the commercial register).

Please note:

- ♦ Possible order cancellation: The clearing member explicitly acknowledges and agrees that orders which are to be fulfilled after the last trading day will be cancelled by EXAA.
- ♦ The termination of the clearing membership shall only become legally effective (day of the termination of the legal relationship) after all energy exchange transactions which are to be settled by the clearing member have been fulfilled and all obligations arising from its exchange and clearing membership, including taxes and fees, have been met (see § 9 para. 2 GTC).
